

WADE SAKUNDIAK

#317 2315 McIntyre St. Regina, Saskatchewan / 306.502.3877 / wade@sinkorswim.ca

SKILLS:

PRINT

Proficient in QuarkXPress, Adobe InDesign, Adobe Illustrator, Adobe Photoshop. Experience with the various production considerations of offset lithography, finishing and bindery.

WEB

Experienced with Dreamweaver and Flash though with a strong preference to hand coding using Coda, TextMate and CSSEdit. Thorough knowledge of XHTML and CSS with regards to web standards and accessibility. Experienced with currently available JavaScript libraries. Insight into current CMS environments including Wordpress, Expression Engine and Movable Type.

IN DEVELOPMENT

Currently building upon my skills with the Ruby and PHP programming languages and in particular, the Ruby on Rails framework for web application development. Keen interest in application development with Objective-C and the Cocoa framework for Apple's desktop and mobile platforms. Ongoing personal education in regards to typography and a very strong interest in geometry as it relates to design and universal aesthetics.

EDUCATION:

ALBERTA COLLEGE OF ART AND DESIGN - GRAPHIC DESIGN - 2003
SIAS - PRINT PRODUCTION - 1999
SHELDON WILLIAMS COLLEGIATE - HIGH SCHOOL - 1993

EXPERIENCE:

SAKUNDIAK EQUIPMENT PURCHASING

REGINA, SASKATCHEWAN
2006 - PRESENT

Acquisition of materials for the manufacturing of farm implements. Other duties include the preparation of all promotional print material and the maintenance and design of the company's web presence.

MELODIYA RECORDS MANAGER

CALGARY, ALBERTA
2003 - 2006

Management of an independent record store including ordering of product, organization of staff, development of sales strategies. Also designed all company promotional materials including business cards, advertisements and the company logo.

FUNWORLD DESIGN FREELANCE

REGINA/CALGARY
2000 - PRESENT

Freelance design services for a number of clients with a strong focus on the recording industry. Design services included promotional materials for print and apparel, packaging and web design and development.
